

Uniform Policy

Rationale

Southern Cross Catholic College is called to develop a sense of community where all people are treated equally. The Uniform Policy outlines our College expectations with regard to the wearing of our College uniform. It promotes consistency and inclusiveness for our students and their families who seek the educational values of our College Founders.

Our Uniform Policy incorporates the values of: fairness, equity, justice, acceptance, respect, dignity, tolerance, pride and responsibility.

The Uniform Policy is consistent with our College Vision and Mission Statements.

Policy

At Southern Cross Catholic College we expect our students to wear our College uniform with pride and in its entirety. The uniform must be worn at school, when representing our College and when travelling to and from school. When students are in College uniform they must wear it correctly.

Wearing a school uniform is essential for many reasons. It promotes:

- a sense of pride and belonging to our College community;
- a positive college image;
- a positive self-image;
- identification and security within our College and the wider community;
- a sense of equity, inclusiveness and uniformity as students do not feel they have to dress competitively.

Our uniform also:

- provides a lower cost to families in the long term by providing economical, serviceable and safe clothing;
- assists our College in meeting the Sun Smart guidelines;
- meets Occupational Health and Safety requirements.

Wearing our College uniform helps students to develop a sense of self-discipline, self-respect and responsibility.

Consequences

This policy should be read in conjunction with the Uniform Regulations as outlined in the Parent Handbook (available on the College website) and Student Planner (Secondary Campus).

The Uniform Regulations specify consequences for non-compliance with the College Uniform Policy. It is the responsibility of all College community members (students, parents and teachers) to ensure the uniform is worn correctly.
