

# Christian scholarship up for grabs

SOUTHERN Cross Catholic College is offering Year 10 students the chance to apply for a Monsignor Frawley Scholarship.

The scholarship was created as a testimony to the work of Monsignor Bart Frawley, who was the

Scarborough parish priest from 1946 to 1983, and who established several Catholic schools on the Peninsula.

Principal Brett Horton said Year 10 students who had demonstrated academic application, good behaviour, appropriate personal

qualities and supported the Christian ethos, were eligible. The recipient will get an annual scholarship, valued at \$1368, for the remaining three years of secondary education. Applications close February 26. Visit the college for an application.
