Southern Cross Catholic College (SCCC) is proud to introduce Caitlin Lowe and Dalton Dries as our College Captains for 2016.

With the college theme of ‘Opening Doors’, Cait and Dalton are keen to show all SCCC students that doors can be opened in many areas of their lives — as long as they are willing to welcome what is on the other side.

Along with eight other student leaders, the captains are encouraging all students from Prep to Year 12 to open the doors to greater challenges, academic achievement and social justice to name a few.

Through their involvement in all levels of college life they aim to inspire students to reach above and beyond in all endeavours undertaken. Already they have been on Year 7 camp, participated in leadership and reflection days and lead events celebrating College life.

Cait and Dalton are optimistic young leaders who aim to open the doors of success in 2016.
