## Rights & Responsibilities

A "RIGHT" belongs to me. We ALL have the same rights. There are NO rights without responsibilities. "RESPONSIBILITIES" are things that I should do without being told - some things for others, some for myself.

### RESPONSIBILITIES ensure everyone's RIGHTS

#### RIGHTS

- Each person has the right to be safe and free from harassment and for his/her property to be safe.
- Each person has the right to learn.
- Each person has the right to be happy and enjoy our College.
- Each person has the right to have a pleasant, healthy and safe environment.
- Each person has the right to be in a College well regarded in the community and, as students at the College, each person has the right to be treated with respect and understanding.
- Each person has the right to express concerns through appropriate channels.

#### CORRESPONDING RESPONSIBILITIES

- Respect all people, personal property and others' rights; observe safety rules; report bullying, harassment and/or theft.
- Remain focused on my learning; do not disrupt the learning of others.
- Respect and protect others' rights to the same happiness and enjoyment.
- Care for the College environment; avoid unhealthy and dangerous practices.
- Behave in a way that reflects well on themselves, their family and the College; be polite; show appreciation; treat all with respect and understanding.
- Contribute positively to decisions.

## Definitions

**Bullying** is deliberate, hurtful behaviour, repeated over time, where it is difficult for those being bullied to defend themselves.

**Harassment** and intimidation are forms of bullying, usually non-physical in nature, where a person is repeatedly treated badly by a stronger group or individual owing to membership of a social group (racial, religious, sexual).

## Examples of Bullying

- **Verbal:** put-downs, name-calling, teasing, gossip, hurtful phone calls, racist remarks, threats.
- **Physical:** hitting, kicking, pushing, holding, tripping.
- **Emotional:** unreasonable and continued exclusion from a group, taking or damaging property, spreading rumours by verbal, written or electronic means.
- **Cyber:** text, emails, chat rooms, blogs.

Our stated principles lead us to consideration of the following in determining outcomes that align with our Vision, Mission & Relationships Policy.

### Matters for Consideration

- Future safety of students and staff.
- Occurrence and frequency of previous serious incidents.
- Severity and significance of the incident.
- Signs of remorse.
- Previous strategies/support in dealing with incidents involving the student(s).
- Individual and family circumstances that impact on the student. These may provide an explanation, but not an excuse.

**Minor Incidents:** Verbal banter, Teasing (one off), Physical jostling

#### Consequences may include:

Reminder and/or verbal correction. Withdrawal, detention, or an imposition. Mediation between parties.

**Significant Incidents:** Wilful physical harm, Wilful property damage, Continued harassment, Intimidation, Unfair and continued exclusion from a group, Sexual harassment, Spreading rumours, Cyber bullying.

#### Consequences may include:

Mediation between parties. Personal reflection and apologies. Parent contact. Interview. Withdrawal from classes/playground. Undertake counselling or bullying education program. Detentions. Suspension - internal or external. Police involvement. Recommendation to terminate enrolment to Brisbane Catholic Education.
